

# FREE Home Clean up and Simple Repair Assistance

Available July 15-18, 2019

High school teens under the supervision of adult leaders will be providing free service to elderly local residents and individuals and families who need home clean up and simple repair work but cannot financially afford it. Projects could include, but are not limited to: landscaping, cleaning, painting either inside or outside, simple home repairs (No electrical, plumbing or roofing), or other necessary work that a resident needs completed. We ask the homeowner or resident to provide paint and building materials unless you cannot afford it and then we will assist with materials if possible.

This opportunity, called *Gospel Road* is provided by the youth ministers from Catholic churches in the Diocese of Columbus. To apply for home clean up or repair please complete the request form below. All work requests will be screened in advance by one or our assessors to determine that the job falls within the range of work that we can provide. This is a one week project only (July 15-18, 2019); available to Pickerington, east side Columbus, and Reynoldsburg area residents. To be considered complete the form below and return by mail or email by May 10, 2019. Someone will contact you to gather further information and set up an appointment to assess your work request. Please direct any questions or requests for further information to the email provided below.
